

MANAGED CLOUD SERVICES

WE MANAGE THE CLOUD SO YOU DON'T HAVE TO.

ACCELERATION OF CLOUD MANAGEMENT

Cloud technologies have changed the way businesses operate. While the benefits of the Cloud to your business are great, you need the right people to manage your various cloud applications and storage solutions. Montra's modern approach to the management of cloud and hybrid systems streamlines your critical services and assets.

THE EXPERTISE THAT MATTERS

Let Montra take responsibility for your business' cloud services and you'll never spend another minute worrying if your data is secure or services are operational. We partner with industry leaders to offer Cloud solutions that can always scale up or down on demand, so you only pay for what you need, when you need it.

FULL SERVICE CLOUD SUPPORT

Between Cloud backups, Cloud applications, Cloud desktops, Cloud servers, Cloud Security, Office 365, Azure, and AWS, Montra's team of experts has you covered. Our experts manage your cloud-based data, security, applications, and storage so that your most valuable assets are always secure and available.

GAIN FULL VISIBILITY INTO YOUR COMPLIANCE STATUS

Cloud applications and systems have proliferated within your business operation compounding the already difficult task of managing your IT environment. At Montra, we believe knowing the status of your cloud-based systems and applications shouldn't require hours of logging into various vendor platforms to pull disaggregated reports and data.

That is why we provide you with our VIA platform which gives you a single-view of all of your Cloud services so that you can see your uptime, usage, performance, and any service requests all from one place.

SERVICES INTEGRATED INTO YOUR EXISTING OPERATIONS

Montra designs all of our service offerings to integrate seamlessly within your operations for minimal disruptions to your day-to-day business.
