

# GAIN NEW VISIBILITY INTO YOUR IT OPERATION

## IT'S TIME TO EXPECT MORE FROM YOUR MSP

### A BETTER WAY TO MANAGE IT

Knowing what your service provider is doing and how they are doing it shouldn't require endless hours of logging into multiple systems or tracking down a person to get a report.

Through Montra VIA, we consolidate all of the various security, cloud and infrastructure solutions into a single view accessible in just a few simple clicks. We integrate all of these systems and data allowing you to get the information you need quickly, so you can get back to running your business.

# SEE THE STATE OF YOUR SERVICES WITH MONTRA VIA

VIA provides you with instant access to information about any system, change management, or user in your environment. With VIA, you can be sure that your partnership with Montra will allow you to minimize operational complexity, maximize your IT investments, and experience a significant and measurable reduction in risk.

## ABOUT MONTRA SOLUTIONS

Montra Solutions is a software-enabled managed services provider specializing in Cloud, Security, and Infrastructure solutions. Headquartered in Atlanta, Montra simplifies the management of increasingly complex IT operations with software that better integrates and automates the monitoring and management of modern IT. Montra's innovations are enabling scalability and consolidation for the highly fragmented, multi-billion-dollar managed services industry.
